

Committee for Accuracy in Middle East Reporting in America

Founded in 1982, the Committee for Accuracy in Middle East Reporting in America (CAMERA) is a media-monitoring, research and membership organization devoted to promoting accurate and balanced coverage of Israel and the Middle East. CAMERA fosters rigorous reporting, while educating news consumers about Middle East issues and the role of the media. Because public opinion ultimately shapes public policy, distorted news coverage that misleads the public can be detrimental to sound policymaking. A non-partisan organization, CAMERA takes no position with regard to American or Israeli political issues or with regard to ultimate solutions to the Arab-Israeli conflict. CAMERA members are strong supporters of Israel, especially well read and media-savvy.
