

Ezra L'Marpeh

Located in Bnai Brak, Israel, Ezra L'Marpeh was founded 25 years ago by Rabbi Elimelech Firer. The organization's motto – "Help to heal from the heart" – hasn't changed since its inception to bring medical assistance with an open heart to anyone and everyone, free of charge. More than 100,000 people avail themselves of the organization's services annually, which have expanded over the years to include more medications, equipment and know-how. Their services include home care for children with cancer, ambulance services, flying patients abroad for medical treatment, a medically supervised health and fitness center, a rehabilitative day care center, and much more.
