Facts and Logic About the Middle East

FLAME is a tax-exempt, non-profit educational (501(c)(3)) organization. Its purpose is the research and publication of the facts regarding developments in the Middle East and exposing false propaganda that might harm the interests of the United States and its allies in that area of the world. FLAME accomplishes this purpose by publishing educational and clarifying advertisements in national magazines, metro newspapers, Jewish publications, and 100 small-town newspapers in the U.S. and Canada on a regular monthly basis.
