

# Educational Institute – Oholei Torah

The Educational Institute -- Oholei Torah is the largest Chabad rabbinical training institute in the world. Graduates of the school can be found in hundreds of cities worldwide, serving as dedicated leaders of the Jewish community. In addition, the institute serves as a resource for Jewish children suffering from severe mental, physical and emotional disabilities. Each child receives a personal teacher - therapist until they are well enough to attend the small special education classes offered at the school. Donors to Oholei Torah are caring people with a true concern for the welfare of the Jewish people.
